Source: CD-800, Child Care Annual Aggregate Report, FFY 2000/2001.
Note: Report of unduplicated count of families and children receiving subsidized child care services any time during the year. Projected from 99.5 percent of agencies reporting based on Maximum Reimburseable Amount ratio of reporting agencies to total agencies by contract type. Due to rounding error, 'Subtotals' and 'Totals' may not add.
